

# THE NEW HEART OF WISDOM: PROFOUND TEACHINGS FROM BUDDHA'S HEART

This stimulating book challenges our underlying assumptions about ourselves and the world around us. Only by seeing things as they really are can we become free from the inner source of unhappiness. Are things as solid and real as they appear? Realize the truth behind appearances, discover the dream-like nature of our world and cultivate the wisdom that liberates the mind. By skillfully explaining the dream-like nature of all things, the relationship between our mind and our world, and the extent to which we...

## Peek Inside the Book

someone places a toy rubber snake in our room, the first time we see it we may believe that it is a real snake and be quite startled by it. Even though there is no actual snake in our room, a snake...

## Reader's Opinions

Anyone interested in learning more about the nature of reality.

Excellent commentary to two concepts central to Mahayana Buddhism: love and compassion.
