Peek Inside the Book

The pale morning sun filters through the forest canopy around us. I imagine my dewy rosebush soaking it up, photosynthesizing like crazy. The coo of a mourning dove echoes, somehow soothing my heart. Sometimes I feel so entangled with the West Virginia seasons, it's like I'm breathing through them. Heather Day Gilbert, Trial by Twelve //

Reader's Opinions

I read and enjoyed the first book in the Murder in the Mountains series, Miranda Warning, last year, so I had high expectations for this second one. I wasn't disappointed! Although it is a standalone book, I loved it as a sequel, glad to return to the Appalachian community. Ms. Gilbert writes some of the most natural, realistic characters...
