

THE DUTY

The perma players' new reality gains depth and color. The virtual world has seen its first birth — and its first death. The invisible umbilical cord connecting AlterWorld to Earth grows thinner, and even the Fallen One cannot prevent the looming catastrophe. Could Max have ignored the Russian girl who'd just...

Reader's Opinions

At long last Well worth the wait. I am anxiously waiting for the next one. This series is on my must buy list.

This review covers the whole series not this particular book (which is great by the way) I completely love this series. It had one of the best endings to a series I have read in a long time. This story is so awesome I don't know where to start. It takes place in Russia in the not too distant future and is told in first person by Max. A...
